Commented [GB1]: Is this earning okay? We can start it on the 1st but with not having it the first Friday I thought having it start exactly a week before would be good.

Commented [LW2R1]: I am good with it starting July 3. Let's start changing start times to 10am. We only did 5am before bc MGT could only go by gaming day. That way we are not showing when our gaming day begins, and it also gives a more time in the morning if we forgot something or need to fix something prior to going live.
